installation instructions

**Made in USA**

## **Sure-Foot Industries is your one stop supplier for all of your customized anti-slip needs.**

If converting anti-slip tape is not within your capabilities, then take a hands-off approach. We can offer die-cutting and slitting for private label programs to be shipped to you or direct to your customer. Some traditional adhesive tape converters compliment their current offering by distributing our standard roll sizes and colors. We take the time to get to know you and your project so you can maintain at a competitive advantage.
