

Innovative Safety Solutions

MASTER STOP™ Safety Tapes and Treads

MASTER STOP™ Advantages

- Available in widths from 3/4" - 48" & lengths up to 500 feet
- Precision cut to tight tolerances
- Variety of grit materials and colors
- Custom die-cut pieces available
- Made for interior and exterior applications; ideal for slippery areas
- Custom manufacturing capabilities

Mineral abrasive tapes now include 4 distinct blacks and 12 assorted colors including glow-in-the-dark

Wide variety of colors to suit specific needs

Sure-Foot's MASTER STOP® Safety Tapes and Treads are the answer to slip and fall problems in any environment.

Varieties of grit materials, colors and sizes are available to meet specific needs. All tapes and treads meet and exceed OSHA and ADA recommendations for slip resistance. Master Stop Safety Tapes and Treads are made with a mineral abrasive grit-coated polyester film to provide maximum traction. The pressure sensitive adhesive backing with removable liner offers the versatility to be applied in both interior and exterior applications.
